## November Meeting

For our November meeting, we are thrilled to have **Kathy Glass of UW-Madison** present on **Listeria in Caramel Apples...Who Knew?**

The presentation will focus on a 2014 Listeria outbreak linked to the consumption of caramel-coated apples, describing how a previously unanticipated product, the caramel apple with a low pH and low water activity could have led to an outbreak resulting in 35 illnesses and 7 deaths. Come hear Kathy explain the factors contributing to the outbreak and present suggestions to prevent similar occurrences!

**When:** Thursday, November 16<sup>th</sup>, 2017

**Where:** **New Berlin Ale House** at 16000 W Cleveland Ave, New Berlin, WI 53151

*Located between I-94 and I-43, just off Mooreland Rd.*

**Price:** \$35 for **members**, \$15 for **students**

**RSVP:** to Ellie Schroeder by Friday, November 10<sup>th</sup> at [ellie.schroeder@mastersonfoods.com](mailto:ellie.schroeder@mastersonfoods.com)
